A hot, sunny afternoon for Bandstand Sunday at George Lane Park with Larry Vannatta's "Straight, Clean & Simple" - (L to R) fiddle player Bruce Leinam of Calgary, harmonica Bob MacGillivray of Calgary, lead vocals and guitar Larry Vannatta of Milo, drums Larry "Apples" MacIntosh of High River and bass player James Buchholz of Okotoks. Bandstand Sundays are sponsored by the High River Lions Club and have a food concession supplied by the High River Hospital Auxiliary. Bandstand organizer Ron Schmidt says it's been a fantastic hot summer and in the 17 years he has put on the show, it's only been rained out three times. Sunday's performance saw over 500 people in attendance and there are only three Sundays left to catch music at the George Lane Park Bandstand. Remember to bring a lawn chair and cash for the concession. *DANA ZIELKE*
