WAYNE SHIELS | CLARK'S CROSSING GAZETTE

A British Columbia rider goes airborne during a Canada Cup race held at the Diamond BMX track in Warman on Sunday, August 7. The weather cooperated with two beautiful racing days, and large crowds were on hand to cheer on the racers. This was the first time BMX Canada Cup events were hosted in Saskatchewan. Developing racers also competed in Saskatchewan Cup races alongside the elite racers. Story and more pictures on page 7.
