Ferocious storm leaves Kerrobert in cleanup mode and without power

Between 12:30 am and 1:00 am on Tuesday morning, Kerrobert was hit with near 100 km/hour winds as part of a severe thunderstorm. The damage of this event caused some heavy damage throughout our town.

We had multiple trees uprooted, large branches broken, some of which came down onto buildings and homes. We had multiple holiday campers flipped over at the Wild Goose Campground. Even though a couple of the campers had people inside, miraculously nobody was seriously injured. We had a grain bin blow into our cemetery. We had smaller tree branches scattered throughout every street and alley.
