Vol. 30 No. 20 Telling the stories of northern Saskatchewan since 1993 May 19, 2022

Matthew Gardiner proudly hoists the championship trophy he earned after recently finishing first overall in the National Hockey League (NHL) Draft fundraiser organized each year by Multiworks Corporation in Meadow Lake. More than 200 participants selected “teams” based on which players they felt would gain the most points throughout the 2021-22 NHL regular season. When all was said and done, Gardiner’s picks landed him in the top spot by a margin of 21 points. Joining Gardiner to celebrate the victory last week were Multiworks clients and staff members. For the full story, see Page 15.
