Old fashioned fun at 99th Annual Lougheed Fair

This past weekend the Lougheed Agricultural Society celebrated the 99th annual Lougheed Fair. This one-day event features a fair book with dozens of categories that harken back to its early roots, but remain popular today, as bakers, canners, gardeners, photographers, and craftsmen enter to compete against one another. Add a parade, horse show, cattle show, and lots of other activities, and you have a legacy event to really be proud of. See more photos Pages 11 & 13.

NEVER TOO OLD TO PLAY IN THE MUD

It seems you never lose the fun of playing in the mud, even when your toys are full-sized vehicles. There was plenty of good "clean" fun in Forestburg this past weekend with two days of mud racing, and rave reviews for the new pretzel-track racing. See more photos Pages 12 & 16.
