Main Street Revitalization

The Three Hills Main Street Revitalization 2022 is well underway. In the words of Three Hills Mayor Ray Wildeman, "It's a post pandemic face lift for the Town of Three Hills". At present, work is being done between Fourth and Fifth Avenue on both north and south sides of Main Street. The project is moving forward at a good pace that could see the first phase (between Fourth and Fifth Ave.) completed in about a week. Work will then shift west between Third and Fourth Ave. According to Mayor Wildeman, "Crews are doing a good job to keep things moving ahead." The revitalization project is 75% funded by the Federal Government with the remainder coming from the Town of Three Hills. The project should be completed by the end of summer.
